Subject: Student Work Experience - Revoked

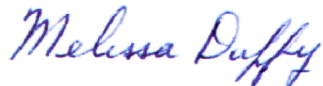

Gemma Alosi (SSN), a student in your employ, has had his/her grade point average fall below 2.0. The student was put on academic probation but was unable to improve his/her GPA. As a result, state law requires that the student's work permit be withdrawn.

This letter serves as your official notification that the school is now revoking Gemma's work permit.

We apologize for any inconvenience this may cause, but a student's primary responsibility must be to his/her education.

Please encourage Gemma to work on his or her studies. Student tutoring is available and most students can bring up their grades with effort and motivation. By achieving a GPA of 2.0, Gemma can re-apply for a work permit at the next grading period.

Sincerely,

Melissa M. Duffy
Principal
